FIRST CARDS, BELGIUM

The engraved Christmas cards are designed by an individual artist, engraved by hand, and printed one color at a time on fine Original Crown Mill cards. Each matching envelope is lined in gold tissue.

First Cards has also designed cards printed by modern methods. They include a whimsical series of children's invitations, place cards and birthday cards as well as suites for adult events.

FIRST CARDS

engraving:

*an artistic print made
from a metal plate on
which an artist has cut
a design with a graver
or a small chisel.*
